# ASTRAL LIMITED

Established in 1996 with the aim to manufacture best-in-globe plastic piping systems, Astral Pipes fulfils emerging piping needs of millions of houses and adds extra mileage to India's developing real estate fraternity with the hallmark of unbeaten quality and innovative piping solutions. Keeping itself ahead of technology curve, Astral has always been a front runner in the piping category by bringing innovation and getting rid of old, primitive and ineffective plumbing methods. Bringing CPVC in India, and pioneering in this technology, have set Astral apart and enabled it to obtain NSF approval for its CPVC pipes and fittings. Astral went beyond category codes by launching many industry firsts, like launching India's first lead-free uPVC pipes for plumbing as well as for stream water, just to name a few. Astral Pipes offers the widest product range across this category when it comes to product applications. Astral Pipes is equipped with production facilities at Santej and Dholka in Gujarat, Hosur in Tamil Nadu, Ghiloth in Rajasthan, Sangli in Maharashtra and Sitarganj in Utrkhand to manufacture plumbing systems, drainage systems, agriculture systems, fire sprinkler piping systems, industrial piping and electrical conduit pipes with all kinds of necessary fittings.

Astral Pipes' Infrastructure division Rex offers a comprehensive product range including corrugated piping for drainage and cables, polyolefin cable channels, sewage treatment plants, plastic sheathing ducts, suction hoses, and sub-surface drainage systems. This range helps Astral to establish a strong foothold in infrastructure and agriculture sector in the constantly evolving business of piping.

In 2014, Astral forayed into the adhesives category by acquiring UK-based Seal It Services Ltd. and Kanpur-based Resinova Chemie Ltd. which manufacture adhesives, sealants and construction chemicals. With five manufacturing facilities now in this business segment, Astral has strengthened its presence in the category and made rapid inroads.

In the year 2020, Astral has expanded its product portfolio and entered into the Water Tanks Segment. The water tank segment is an expanded domain of plumbing and water supply with a huge nationwide potential. Astral Pipes manufactures water tanks from its Santej and Aurangabad manufacturing facilities. The new addition in the product offering will help Astral author a next chapter of success and will establish it as a prominent player in building materials industry.

Brand Astral stands for innovation and for setting new trends in the piping industry. Bringing newer piping technologies and continuous innovation in existing as well as new products has been the focal point at Astral. This special emphasis helps the brand set the bar higher and lead amongst others by example. Astral is also known for its compromise free quality and exceeds consumers' expectations. Right from introducing new piping technologies to innovative brand communications in the category, Astral's brand mission has been to maintain and grow a commanding presence in the minds of customers and to deliver promised values consistently.

# ABOUT SARITA

In 1993, Sarita entered the water-tank manufacturing market by setting up its first state-of-the-art unit "Shree Prabhu Polymer" at Waluj, MIDC. With the sole aim to expand the brand, Sarita started investing into new growth areas and simultaneously kept increasing its production capacities and manufacturing units. Since its establishment, Sarita has grown exponentially and has become a trusted brand name. After gaining two decades of experience and expertise in manufacturing water tanks, Sarita is now synonymous with exceptional product quality and extraordinary customer service.

100% virgin food-grade material

U.V. stabilized (extra protection from harsh sun rays)

Ideal for drinking water

Carbon components for extra strength

## What is a triple-layered water tank?

Sarita Water Tank offers the two most essential attributes of a water tank - strength and durability. Sarita Water Tanks offer highly durable and robust triple-layered water tanks, with each layer providing its own set of benefits. These tanks also keep stored water clean and disinfected for a long time.

### HDPE High-density Polyethylene plastic

- Increased strength due to high-density polyethylene plastic
- Strength to withstand high temperature
- Triple-layered for multiple benefits
- Blow moulding technology

### Outer Layer

- Attractive colour shades
- 100% pure raw material
- U.V. stabilized
- Optimal white colour
- Aesthetically attractive
- Prevents heating of water

### Middle Layer

- Black, protective layer
- Prevents harsh sun rays
- Long-lasting
- Opacity to protect water from bacteria

### Inner Layer

- White coloured layer for bottom visibility
- Increases tank immunity
- Keeps water clean

## PRODUCT RANGE

# SARITA

TUF

### Blow moulding water storage tanks

- Continuous mould, without any joint
- No maintenance required
- Strong and sturdy
- Does not break or leak
- Blue, White, Black and Golden Yellow colours available in 3 layers
- Attractive design
- Capacity: 200 to 5000 liters

An ISO 9001:2008 Certified Company

### SARITA - TUF (VERTICAL) Three Layer Water Tank

Sr. No.	Capacity (Liters)	Length (Inches)	Width (Inches)	Manhole (Inches)
1	200	22	36	15
2	300	28	34	15
3	500	34	37	18
4	750	38	44	18
5	1000	42	47	18
6	1500	49	55	18
7	2000	54	61	18
8*	3000	54	85	18
9*	5000	72	80	18

Available Colours: Black, White, Golden Yellow & Blue

\* Available in black colour only

### Four Layer Water Tank

Available Colour: Mettalic Yellow

### SARITA - TUF (VERTICAL)

Sr. No.	Capacity (Liters)	Dia (Inches)	Height (Inches)	Manhole (Inches)
1	500	34	37	18
2	750	38	44	18
3	1000	42	47	18
4	1500	49	55	18
5	2000	54	61	18

### SARITA-TUF (LOFT) Three Layer Water Tank

Sr No.	Capacity (Liters)	Length (Inches)	Width (Inches)	Height (Inches)
1	200	41	22	14
2	300	48	34	12
3	400	42	36	16
4	500	56	36	16

Available Colour: White

**Rotomoulding water storage tanks**

- UV Protection
- 100% virgin raw material
- Easy maintenance
- Light weight
- Wide range
- Multi-layered

An ISO 9001:2008 Certified Company

**SARITA DELUXE (VERTICAL)
